

# Happy Halloween MDS2 Hybrid

**Size:** 4-1/4" x 5-1/2" (A2)

## Tips & Tricks:

- ◆ **Using Digital Elements:** Select a "Frameable" graphic in MDS2 from one of the designer kits. MDS2 can resize the graphic to the size you select. The graphic used in this card was originally 8-1/2 x 11. I resized it to 3-1/2 x 5 in MDS2, then trimmed it to 3x4-1/4 after printing it on Very Vanilla card stock. If you have a little more time and expertise, you can always create your own "Frameable" graphic.
