

Moving Forward with RONALD

This year, Stampin' Up!® celebrates 10 years as a partner with the Ronald McDonald House Charities®. Together with our demonstrators and customers, we have donated more than \$1,000,000 to this outstanding organization that provides a “home away from home” for families battling serious illness and disease.

We're excited to move forward with Ronald and you in our continued support of this program. This year's stamp set—Moving Forward—features seven images that you can use to create cards, pages, gifts, and more! And for every set we sell, Stampin' Up! will donate \$3 to RMHC.

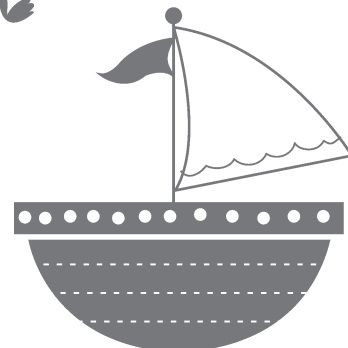

Join us in moving forward this year!

happy birthday

hello, dear friend

thinking of you

NEW Moving Forward
