

Joyous Celebrations-Hybrid Card

Size: 4-1/4" x 5-1/2" (A2)

Tips & Tricks:

- ◆ **Dimension on Glimmer Paper:** Apply ink to the edges of Glimmer paper to give it subtle dimension.
- ◆ **Affixing Clear Sheet:** I used a glue dot at the top and bottom of the oval to attach it to the clear transparency sheet. The Glimmer Paper does a good job of hiding the dot.
- ◆ **Transparency Film:** Make sure you purchase transparency film that will work in your printer. I use a "Universal" sheet. One side is for inkjet printers and one side is for laser printers. The inkjet side will feel rough to the touch. The laser side will feel smooth.
