

SEE THE POSSIBILITIES

DISCOVER THE WORLD OF PHOTOPOLYMER STAMPING WITH US.

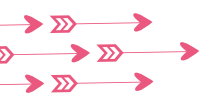

Show & Tell 1 and 2 Photopolymer Stamp Sets

Our new Show & Tell 1 and 2 Photopolymer Stamp Sets feature more than 60 versatile images that you can mix and match to create personalized backgrounds, patterns, layers, and dimensions to make any project stand out.

Seeing the Possibilities Online Class

Order our Seeing the Possibilities online class featuring these new sets and learn how quickly and easily you can line up stamped images for precision placement, achieve just the right ink coverage, combine images together exactly where you want them... and so much more! You'll receive six lessons (topics range from Backgrounds to Building and from Layering to Gift Giving), step-out photos, instructional videos, and instructions and supply lists for 15 projects.
