

Introducing an all-new completely clear stamping option . . .
photopolymer stamps!

Here's what you're going to love:

- Top-quality photopolymer that gives a perfectly stamped image every time.
- They're entirely transparent for perfect placement!
- Can you say sticky? (Don't worry; in a good way.) These stamps stick amazingly well to our clear blocks.
- They're age tested. They won't yellow or cloud up over time.
- We could go on, but we'll let you try them for yourself.
