OLD IN COLORS | NEW COLOR

inspire. create. share.®

www.wildwestPaperArts.com

In 2010 when we did our big color renovation we shared our plans for smaller color refreshes every three to five years to keep our colors on trend. Well it has been three years and we are excited to announce that the upcoming 2013–2014 annual catalog will include 10 new colors (most of which are returning In Colors® from previous years)!
