

# A Case for Glamor

**Size** 5-1/2" x 4-1/4"

**Tips & Tricks** - Paper Trimmer, Framelits and Glimmer Paper. Make sure to turn the glimmer paper over so the glitter side is down before cutting with the Stampin' Trimmer. This will help with the wear and tear on your trimmer blade. Do the same thing when cutting with Framelits. Due to the thickness of the Glimmer Paper, you may need to run the sandwich back and forth through the Big Shot when using to ensure a crisp cut.
