What is Build-A-Tag?

Think of it as a crafting buffet. You'll visit the buffet line to pick up paper, shapes, ribbon, embellishments and blank tags for your creations. Just like a buffet, you can visit as many times as you like until you're tired. Don't want to make tags? Come crop with us all day and use our buffet for your scrapbook pages and cards. We even had jewelry "makin's" donated last year!
