PAPER PREPARATION

Cut paper as follows.

Designer Series Paper 2"x 2-1/2"

Purple Posy Cardstock - 5-1/2" x 8-1/2" [Card Base]; 1/2" x 3" [Greeting Piece]

Whisper White Cardstock 3-1/4" x 4-3/4" [Front]; 4" x 5-1/4" [Card Insert]; 2 scraps at least 2" x 2" for stamping egg halves.

You'll find an alternate idea and the entire list of supplies at the end of this tutorial. Let's get started.

INSTRUCTIONS

- 1) Score and fold Card Base; burnish crease with Bone Folder. Set aside.
- 2) Create the egg: Ink up striped egg half, stamp-off once before stamping on scrap of Whisper White Card Stock. Repeat. Fussy cut or use Dino Egg Die to cut out both egg shells. Place both egg shells on top of Whisper White front piece for placement. DO NOT ADHERE!

3) Ink up the chick feet with Soft Suede Classic Ink. Stamp on Whisper White Front piece, making sure the feet will show under the lower half of the egg.

4) Stamp the Chick in Daffodil Delight leaving white space above the feet as shown below. Stamp the Eyes in Soft Suede and the beak in Pumpkin Pie. Make sure to line the eyes up so the larger eye is on the right. Also, notice the beak has a top and bottom.

6) Attach Stampin Dimensionals to the lower half of the egg only. Adhere over the top of the chick making sure the feet are showing.

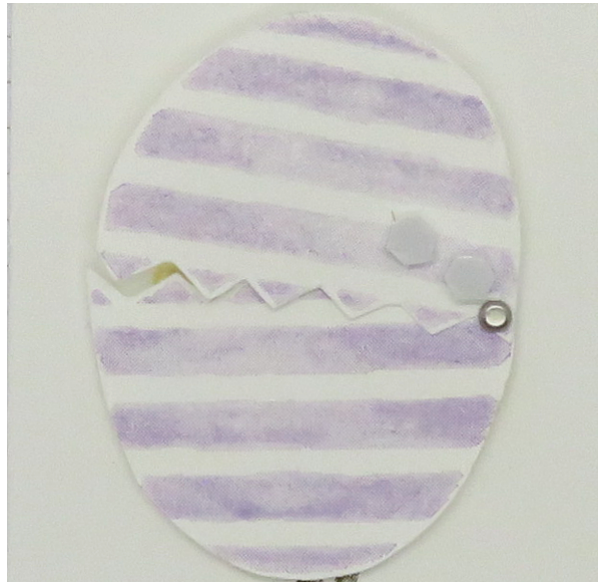

7) Fussy cut two flowers from DSP. Attach two small pieces of ribbon to the back of one flower with Glue Dots. Attach to the top half of the hinged egg shell with Stampin' Dimensionals. Attach the second flower over the first (as shown) with Multipurpose Liquid Glue. Always make sure the egg will still open and close.

- Decorate with Pearls. See photos for ideas.

Alternate Idea: Create egg from DSP instead of stamping the image. Use the Egg Outline Stamp to create an outline if you like. The outline of the egg was heat embossed with Stampin' Emboss Power (Whisper White). Follow the directions above for everything else.
